

The Greater San Antonio Chamber of Commerce presents

San Antonio's Aerospace Industry "What's Great, What's Challenging, What's Next"

Part 1 of 4:

Wednesday, March 25 – Jet Manufacturing & Repair in SA: Outlook for 2009 and beyond:

Panel presentation from representatives at Cessna, EMIVEST Aerospace (formerly Sino Swearingen) and M7 Aerospace on their lines of business in San Antonio and short-term economic outlook for their operations

Parts 2-4 of the series will feature:

Gore Design: An overview and presentation on one of San Antonio's unique aerospace companies that provides custom interior designs

Aviation Transportation Panel: Government contracts and business opportunities that Maintenance, Repair and Overhaul companies have at Port San Antonio

San Antonio International Airport: What's new, what's great and what's coming, regarding the renovation and expansion of SAT

(All events will occur at the Embassy Suites Hotel, 7750 Briaridge, from 11:30 a.m. – 1:00 p.m.)
